The diagram illustrates a U-shaped metal frame, likely a component of a heating or cooling system. The frame is composed of a top horizontal section (100" long) and two vertical legs (60" high). The top section features a flared end (5" wide) on the left and a flared end (5" wide) on the right. The vertical legs (3) are labeled with a double underline. The entire frame is shown in a perspective view, with dashed lines indicating hidden parts. The drawing is annotated with the following dimensions and labels:

- Top horizontal section: 100"
- Vertical legs: 60"
- Flared ends: 5"
- Labels: 1, 2, 3
